CC Docket No. 02-6

After further investigation on our part for the support of having submitted Form 471 on time, before the filing window of February 6, 2003, we have concluded the following:

- We submitted a copy of receipt #6965, dated February 5, 2003 indicating a time of 13:42:30, this is the time that we dropped off Form 471 at Mailboxes, etc.
- We also submitted a copy of the certified mail receipt with an official stamp indicating the date of February 5, 2003.
- The statement from Mailboxes, etc reflects a date of February 13, 2003 (the date the statement was printed), but shows Inv#POS9169 dated February 5, 2003, billing us \$10.95 (see 6965) for certified with return receipt mailed on this date.
- I spoke with the employee, of Mailboxes, etc, that handled this piece of mail on that day, and she explained to me the procedure of how mail is handled when we take it in to them:
  - a. They receive our mail and stamp it, immediately, with the date that it is received.
  - b. The post office picks it up, before 3:00 pm, that same day and postmarks it as soon as it gets to the post office.
- I also called the post office and they explained the procedure: They pick up the mail at Mailboxes, etc before 3:00 pm.
  - a. It is then taken to the post office and postmarked immediately that same day.
  - b. The post office indicated that the round stamp with the date is an official stamp and should be read as one.

I am re-submitting all the evidence with all dates that indicate, in our good faith effort, that we did file Form 471 on February 5, 2003 one day before the filing window of February 6, 2003.

Please re-examine the evidence so that we may be re-considered for funding for the year 2003-2004.

Thank you,

*Dora Alvidrez-Urias*
